Orange Slice chair, 1960

Designer:**Pierre Paulin**

Manufacturer:**Artifort**

£1,969

DESCRIPTION

Orange slice chair by **Pierre Paulin** for **Artifort**.

Inspired by orange peel, this chair in both its high and low forms is locked in a playful state of 'uncurling', its slices consist of two completely identical shells of pressed beech, covered with foam, on a chromed metal tubular base.

Upholstered in fabrics or leathers. Please click on the fabric name listed in the materials section to view the fabrics or leathers in detail. More details can be found in the downloadable upholstery and finish specifications pdf as well.
