

Ori Planter

Manufacturer: **Another Country**

£704.17

DESCRIPTION

Ori Planter by **Another Country**.

Inspired by outdoor planting troughs, the Ori Planter is an object to house indoor plants. A spacious wooden box is held up by four slender legs, large enough to contain indoor plants. Simple and clean, the Ori planter can sit next to a window or in any area in the home or workplace.

DIMENSIONS

73w x 31.5d x 45cmh

MATERIALS

Made with sustainably sourced timber in solid certified ash.

Suitable for indoor use only.
