

Lean Floor Lamp

Designer: **Jenny Back**

Manufacturer: **Orsjo**

£639

DESCRIPTION

Lean Floor Lamp by **Jenny Back** for **Orsjo**.

"The Lean series is conceived as a family of lamps that – like a decorative element or a miniature sculpture – will create a natural focus of attention in a room or public space. The glow that is cast through the slits in the top of the shade adds life both to the shade itself and to the wall behind that it paints in patterns of light and dark," says Jenny Bäck.

Back's lean floor lamp was inspired by the functional and elegant lighting designs of the 1950s. A considered approach to an industrial lamp, mixing exposed and untreated brass and rubber with sleek matt lampshades.

DIMENSIONS

40w x 46d x 130cmh
