

Posterhanger

£19

DESCRIPTION

Posterhanger by **Jørgen Møller** for **Ørskov**.

The Posterhanger, designed by Jørgen Møller in 1982, offers a simple and affordable solution for hanging posters and prints.

The lightweight aluminium tubes gently secure the poster in place, making it easy to switch out hanging prints, providing flexibility to your display.

A pre-drilled hole is centred on the back of the top bar, providing a perfectly balanced frame when hanging on the included nail.
