DESCRIPTION

Palissade Park Bench by Ronan + Erwan Bouroullec for HAY.

Introducing the Palissade Park series, an extension of Ronan + Erwan Bouroullec's iconic outdoor furniture collection. The Park collection was designed in 2022 and offers a new modular flexibility to the minimal, delineated range ideal for larger outdoor spaces.

Formed from streamlined slatted steel with curved surfaces, the collection is described by the designers as "strong without being bulky; elegant without being fragile".

With a form that references traditional French garden furniture while remaining resolutely contemporary, Palissade Park will sit easily within a variety of outdoor settings such as gardens, parks and public spaces.

The Palissade Park Bench is a freestanding curved bench comprised of two connected seats. The bench rests upon six symmetrical legs, perpetuating the minimal form of the series. Combine the bench in multiples to create unique seating arrangements for your specific functional and aesthetic requirements.
