

Wire Bird Sculpture kit

Manufacturer: **paper&wood**

£38

DESCRIPTION

Wire Bird Sculpture kit by **Paper&Wood**.

Create your very own life sized bird sculpture with the fun kit by Paper&Wood. Constructed from just two thicknesses of copper craft wire, the finished bird elegantly stands alone with its own quirks and character.

Follow the engaging instructions and learn the simple techniques that can be used to create any form you can think of. The templates included are for three British birds, House Sparrow, Eurasian Wren and the Eurasian Robin.

Suitable for children of 12 years and over, the wire can be sharp on the ends so please be careful.

DIMENSIONS

Finished birds are approximately 10cm tall.

MATERIALS

The kit includes:

12 page step by step instruction booklet

Mini long-nosed combination pliers

Black craft wire - 5m of 0.9mm and 15m of 0.5mm

Templates for three British birds: Robin/Sparrow/Wren

[Link to online 2 hour pre-recorded wire bird workshop.](#)

Nothing else is required to assemble the bird sculpture.
