

Belle rug

Designer: **Lina Rickardson**

Manufacturer: **Pappelina**

~~Was £87~~ Now £73

DESCRIPTION

Belle rug by **Lina Rickardson** for **Pappelina**.

Made in Dalarna, Sweden, the Belle rug is woven on a traditional loom with a simple yet elegant horizontal stripe design, available in warm grey or ochre.

The materials and density of the weave ensure that the rug is highly durable and will retain its colour with minimal care required.

To discover more about the long-lasting, sustainable qualities of PVC, see the PDF attachment.

Care: Vacuum regularly, if required hand or machine wash on a low temperature, max 30°C. Rinse any spillages immediately - do not rub. Do not spin or tumble dry

DIMENSIONS

Small (warm grey): 60w x 85cmh

Medium (ochre): 60w x 125cmh

Thickness:1cm

MATERIALS

Pappelina creates classic and enduring rugs, woven from a soft plastic ribbon with a polyester warp. The plastic foil PVC is constructed from new raw plastic, ensuring that no hazardous heavy metals or harmful chemicals are used.
