

## Pass S131

Designer: **Hee Welling**

Manufacturer: **Lapalma**

£778

## DESCRIPTION

**Pass S131** by **Hee Welling** for **Lapalma**.

The Pass collection, designed by Hee Welling has been created using Danish design ideals, resulting in an embracing chair. The Pass S131 is available with a 4-star swivel base and an optional self returning mechanism.

The Pass collection was inspired by waves on a calm day. The soft curves of each design express the rhythm of the sea and create a fluid design that is ideal for the home, office. The Pass chairs would also be at home in larger contract projects such as airport lounges.

**Please note:** Minimum order of 4 chairs, individual variants are with an additional charge. Bi-colour upholstery is also available, please **enquire** for details.

## DIMENSIONS

59w x 56d x 46/66/80cmh

## MATERIALS

Upholstered chair with fire retardant moulded foam covered in fabric or soft leather. Available with four-star swivel base.

When selecting an upholstery option please refer to the PDF in the products download section and enter the relevant upholstery code in the box provided above.
