

Stoneware Egg Cup, 2019

Designer: **Pat O'Leary**

Manufacturer: **Pat O'Leary**

£25

DESCRIPTION

Stoneware Egg Cup by **Pat O'Leary**.

Pat O'Leary's combined egg cup and saucer is hand-thrown in one piece, the design features an inset foot ring, allowing multiple cups to be practically stacked and tidied away.

The functional design affords a handy space for utensils or soldiers and for the easy transfer of hot eggs to the table.

Pat O'Leary's deceptively simple pieces are made in London, her interests lie in making quiet, contemporary forms.

Sold singularly.

DIMENSIONS

11.5dia x 3cmh

MATERIALS

Handmade in Staffordshire stoneware clay and finished with a white glaze.
