## DESCRIPTION

**Anglepoise Type 75 floor lamp Edition Four by Paul Smith for Anglepoise.**

The latest addition to the Anglepoise + Paul Smith interpretation of the classic Anglepoise Type 75 table and floor lamps, combining the unmistakable form and function of an Anglepoise with the quintessential style of Britain's foremost designer.

Created for Anglepoise by leading British industrial product designer, Sir Kenneth Grange, the timeless Type75 design provides the perfect canvas for a designer known for his mastery of colour. Its streamlined, modernist form has become the designer's palette and its no-frills, mechanical functionality is highlighted by his playful colour-by-component approach.

Edition Four uses a colour scheme created for a unique version of Land Rover Defender. The original 27-colour palette by Paul Smith alluded to the Defender's past as a multi-purpose utilitarian workhorse, referencing its use on the farmyard and in the emergency services.
