DESCRIPTION

Paul Smith Anglepoise Type 75 Mini by Paul Smith for Anglepoise.

Paul Smith's interpretation of the classic Anglepoise Type 75 table lamp, combines the unmistakable form and function of an Anglepoise with the quintessential style of Britain's foremost designer, in a smaller scale.

Created for Anglepoise by leading British industrial product designer, Sir Kenneth Grange, the timeless Type 75 design provides the perfect canvas for a designer known for his mastery of colour. Its streamlined, modernist form has become the designer's palette and its no-frills, mechanical functionality is highlighted by his playful colour-by-component approach.

The Paul Smith Type 75 mini comes in three colourways:

Edition One's colours are evocative of the summer,

Edition Two uses the deep, rich hues of autumn,

Edition Three takes a different approach by using the visual vocabulary of Dutch painter Mondrian's De Stijl style of art.

Please note: the weight of bulb supplied is critical for the balance of the light.
