DESCRIPTION

Anglepoise + Paul Smith - Edition table lamps by Paul Smith for Anglepoise.

Anglepoise+ Paul Smith is a stunning new interpretation of the classic Anglepoise Type 75 table lamp, combining the unmistakable form and function of an Anglepoise with the quintessential style of Britain's foremost designer.

Created for Anglepoise by leading British industrial product designer, Sir Kenneth Grange, the timeless Type 75 design provides the perfect canvas for a designer known for his mastery of colour. Its streamlined, modernist form has become the designer's palette and its no-frills, mechanical functionality is highlighted by his playful colour-by-component approach.

"It has been brilliant to work on this project. Anglepoise is such an iconic piece of British design, I am honoured to have been involved." (Paul Smith)

"Anglepoise, never out of fashion and a product that will last and last, and Paul Smith, a special slant on design with invention, humour and some charming eccentricity: a unique design partnership of two great British companies." (Sir Kenneth Grange)
