

## George Ready To Grow Kit

Manufacturer: **Pepin**

£48

### DESCRIPTION

**George Ready To Grow Kit by Pepin.**

The George Ready To Grow Kit from Pepin contains all you need to grow your own herbs at home.

Inspired by the traditional olla irrigation method, the kit contains an inner porous clay pot within a vibrant yellow decorative outer pot. Plant your seeds in the inner pot, then fill the outer pot with water to keep your plants effectively hydrated as the water is released slowly and continuously into the soil.

The George kit contains 3 sets of seeds (basil, coriander and chives) and natural potting soil.

### DIMENSIONS

Interior pot : 12dia x 6cmh

Exterior pot : 17dia x 5cmh

### MATERIALS

Included in the kit:

Microporous ceramic pot

3 sachets of organic seeds (basil, coriander, chives)

Natural potting soil
