DESCRIPTION

Perch floor light by **Umut Yamac** for **Moooi**.

Inspired by nature, this characterful and striking floor lamp features a bird perched high on a metal branch. By the touch of a hand or a slight breeze, the bird is set into graceful motion, gently swinging forward and back.

Reminiscent of origami forms, the bird lamp features a white body with brass coloured details. A charming addition to any space, this sculptural floor lamp emits a warm glow when lit.
