

## Neotenic Table Lamp

Designer: **Jumbo**

Manufacturer: **Petite Friture**

£405

### DESCRIPTION

**Neotenic Table Lamp** by **Jumbo** for **Petite Friture**.

Result of the collaboration between American-based design studio Jumbo and Petite Friture, the Neotenic table lamp features a playful organic design. The base of the lamp resembles a corkscrew cavatappi pasta.

Packed with a dimmer, the sculptural organic design of the lamp allows the lamp to produce simultaneously pleasant, homogenous and powerful light perfect for use in the living room, bedroom or hallway as a statement piece. The lamp requires a complex mould to produce its distinctive rounded form. The large lamp requires a six-part mould and painstaking manual work before firing it in the kiln. The colour finish is then obtained using a counter-gravitational dying process.

The lamp is an excellent example of blending artisanal and modern manufacturing techniques to produce this beautiful unique piece. Available in two different sizes in the colour Vanilla, Vermilion, Blue or Cherry.

### DIMENSIONS

Small: 13dia top, 18w x 26cmh, 1.6kg

Large: 25dia top, 34w x 51cmh, 6.6kg

## MATERIALS

Ceramic and glass.

Small table lamp:

Integrated LED

CE, FCC, UKCA standards

Light source : Input 350lm/ Output 250lm

Warm white 2700K

Gradual dimming from 100% to 10% on touch Intensity memory

1.75m black cable with touch dimmer switch

Adaptable socket block with 4 plug ends : F,G,A and I

4W

Class II

Large table lamp:

Integrated LED

CE, FCC, UKCA standards

Light source : Input 750lm/ Output 500lm

Warm white 2700K

Gradual dimming from 100% to 10% on touch Intensity memory

1.75m black cable with touch dimmer switch

Adaptable socket block with 4 plug ends : F,G,A and I

8.5W

Class II

Care: Soft cloth, slightly moistened
