DESCRIPTION

PYL Ceiling/Wall Lamp by Marie and Alexandre for **Petite Friture**.

Designed in 2024, the PYL collection takes inspiration from pylons, beacons, and the colours of 20th-century Italian design. Despite its compact size, the small wall/ceiling lamp exudes a refined character. Its tubular form extends from the wall, with a glass disc at the end that casts a soft, directional beam. The light is versatile, capable of being mounted on either the wall or ceiling, and can be used as a standalone piece or grouped for added impact.
