

Donut Mug

Manufacturer: **Petite Friture**

£40

DESCRIPTION

Donut mug by **Pia Chevalier** for **Petite Friture**.

Inspired by the world of baking, the Donut mugs almost look like an assortment of sweets. Featuring an oversized doughnut-shaped handle, the enamel finish gives the piece a sugar-glazed coated look. Enjoy your morning tea or coffee with this unique quirky mug designed by Pia Chevalier.

Pia Chevalier trained at the École Boulle and graduated in design and craftsmanship. She runs her studio in L'Orfèvrerie, the former workshop of the goldsmith company Christofle. She allows spontaneity to take over her creative process completely resulting in everyday objects with sculptural and emotional qualities.

Available in Vanilla, Cherry and Bubble Gum colours.
