

Petite Potence wall light, 1947

Designer: **Jean Prouvé**

Manufacturer: **Vitra**

£919

DESCRIPTION

Petite Potence wall light by **Jean Prouvé** for **Vitra**.

Originally designed for the 'Tropique' house, Potence, a swivelling wall light is considered one of Jean Prouvé's purist masterpieces. In particular, it is its sparing use of materials and austere design that make the luminaire fascinating.

DIMENSIONS

104w x 30cmh

Wall mounting: 30cmh

MATERIALS

Black, Ecru, Blue or Red powder-coated tubular steel body with oakwood handle. Dimmer cord.

Bulb: Porcelain II, LED Globe 80 mm (included)
