DESCRIPTION

Piccolo Pollinators Seed Collection by Piccolo.

Piccolo seeds are designed to grow in urban environments. These plants are of dwarf varieties and will flourish in compact spaces such as; windowsills, balconies, and small gardens.

Inside this assortment, you'll find three seed packets designed to attract pollinators to your garden:

Snapdragon Brighton Rock: an heirloom flower with pastel bi-coloured blooms, attracting large insects like bumblebees.

Lavender Munstead Blue: a Compact Mediterranean perennial known for early blooming and culinary use in salads, soups, stews and tea.

Starfire Mix Marigolds: annual plants from Mexico and Central America with delicate single flowers in golden to orange shades that repel pests.

Growing instructions are included inside the packaging.
