### DESCRIPTION

**Seed Packets by Piccolo.**

Piccolo seeds are designed to grow in urban environments. These plants are of dwarf varieties and will flourish in compact spaces such as; windowsills, balconies, and small gardens.

Tiny Tim Tomato

A treat for green-fingered people with tiny gardening spaces. Grow your own tomatoes with these seeds.

Monarda Bee Balm

Member of the mint family, Monarda Bee Balm is a plant with distinctive bright-coloured flowers attracting streams of butterflies, hummingbirds and other pollinators.

Wild Rocket

Wild Rocket shares its flavour with wasabi, despite the two plants bearing no relation at all. It enjoys full to partial sun and can be harvested through summer and early winter.

## Alpine Strawberry

The Alpine Strawberry is of an antique German variety. It is both an early fruiting and perennial plant, meaning the plant will fruit earlier and longer than others.

## Basil Genovese

Genoves Basils leaves are darker and rounder than the Common Basil plant. Its flavour is rich and sweet flavour, making it ideal for use in pesto.

## Thyme De Provence

Spicier than common Thyme, Thyme de Provence is the preferred option in authentic French cuisine. It requires little care, apart from occasional watering, light draws out the pungent oils that make its flavour so strong.

## Greek Oregano

Greek oregano is subspecies of common oregano, much stronger in flavour and fragrance. It is a perennial herb, which means that it comes back year after year without much work.
