

## Black Picto Watch, Steel Mesh Strap

Manufacturer: **Picto**

**£119**

### DESCRIPTION

**Black Picto Watch, Steel Mesh Strap** by PICTO.

Founded in 1984 by Steen Georg Christensen and Erling Andersen, Picto offers a unique approach to time, simultaneously celebrating the art of timekeeping while alleviating the pressures associated with it. The minimalist watch challenges traditional mechanical watch concepts with its timeless design, making it suitable for any occasion.

The Picto watch stands out with its innovative portrayal of time as a perpetual-motion pictogram, a pioneering wristwatch feature. The rotating dial uses a dot to represent hours, while minutes are indicated by a traditional hand.

This elegant accessory features a black watch face, stainless steel dial, and a mesh stainless steel strap for a sleek and sophisticated look.
