## Ghost Picto Watch, Navy

Manufacturer: **Picto**

£99

### DESCRIPTION

**Ghost Picto Watch, Recycled Strap in Navy** by PICTO.

Established in 1984 by the Danish duo Steen Georg Christensen and Erling Andersen, the Picto watch offers a refreshing perspective on time. Designed to alleviate time-related stress, the Picto watch invites you to focus on the present moment. Challenging conventional notions of mechanical watches, its timeless design makes it suitable for any occasion.

With its minimalist and clean graphics, the Picto watch presents time uniquely, serving as the world's first wristwatch to depict time as a perpetual-motion pictogram. The rotating dial features a dot to indicate hours, while minutes are represented by a conventional hand.
