

Pila Chair, 2011

Designer: **Ronan and Erwan Bouroullec**

Manufacturer: **Magis**

£620

DESCRIPTION

Pila stackable chair by **Ronan + Erwan Bouroullec** for **Magis**.

The Pila chair is stackable and is available in natural ash, grey stained ash, red-stained ash, brown stained ash, black stained ash, or sanded natural oak.

The two brothers have been working together since 1999. Their collaboration is a constant dialogue, nourished by their single identities and yet striving towards a common goal.

All chairs feature sanded aluminium joining elements, while the ash painted black option features black-painted aluminium joining elements.

Please note: The ash chair is available in an upholstered version, please **enquire** for details.

DIMENSIONS

53.5/56.5w x 48/46d x 45/77.5cmh

MATERIALS

Seat and back in ash plywood, natural or stained and in oak, natural. Legs in solid ash, natural or stained and oak, natural. Joining element in die-cast aluminium, sanded or painted in epoxy resin.
