DESCRIPTION

PJ60 table lamp by **A Morsing + B Nord** for **Orsjo**.

Originally conceived by PeFeGe Eriksson in the 1940s, the industrial lamp was a modern classic. Today the functional and adjustable lamp has been updated, yet still as practical and elegant as it was over 60 years ago.

"It's the original name, and it seemed only natural to continue to use it," Beban Nord

They are produced by Örsjö Belysning in Nybro, Sweden.
