

Plafonnier Pivotants

Designer: **Serge Mouille**

Manufacturer: **Serge Mouille Editions**

£5,875

DESCRIPTION

Plafonnier Pivotants by **Serge Mouille** for **Serge Mouille Editions**.

Plafonnier Pivotants was developed by Serge Mouille after the success of his earlier floor light, **Lampadaire 3 Bras Pivotants**. Like many of Mouille's lamps of this era, the rotating ceiling light has a kinetic quality, conjuring a sense of movement. Characterised by its sculptural aesthetic, the lamp features shell-like shades and delineated arms.

Each arm extends from a fixed-length down rod assembly and varies in length, allowing light to be distributed throughout the room. The tiltable heads can articulate up and down in a 270° rotation.

Plafonnier Pivotants features Mouille's signature use of refined lines, six-sided hardware and the brass swivel connector, joining the arm to the diffuser.

Choose from three or six rotating arms.

Bulbs (included): E27 base; 42W max - 230V, 50Hz

Delivered with a certificate of authenticity, each lamp is stamped and numbered.

DIMENSIONS

271dia x 60cmh

Please see final image in the carousel for detailed measurements.

7.1kg
