

Plenum two-seat sofa

£6,297

DESCRIPTION

Plenum two-seat sofa by Jaime Hayon for Fritz Hansen.

The Plenum collection is a high-back sofa system available as a one-seater, two-seater or three-seater. The sofas are available with optional mounted side tables and/or power outlets.

The Plenum collection pays homage to the modern workspace. They are the perfect collection for collaboration and relaxation. Jaime Hayon created the collection with curved, high-backs and comfortable padded cushions. The optional mounted tables are the perfect addition for a relaxed working environment and the optional power outlets come with regular plugs as well as USB ports.

DIMENSIONS

110.5w x 82.1d x 46/69.4/143.4cmh

Optional table: 30dia x 91.9d x 68.1cmh

Optional power outlet: 32.5w x 5.5cmh

MATERIALS

Shell: Seat, back and side cushions are made of cut HR foam, to ensure durability and comfort. Screens and neck cushion are made of moulded low emission HR MDI polyurethane foam with embedded steel or plywood support.

Tabletop : The tabletops come in light grey HPL laminate and consists of a 19 mm/0.7" particle board with a 1 mm/0.03" black ABS edge.

Base: The steel base for both sofa and table units is made of black powder coated steel. All bases are mounted with adjustable plastic gliders (PA).
