DESCRIPTION

Jubilee Edition PP225 Flag Halyard Chair by Hans Wegner for PP Møbler.

In celebration of their 70th Anniversary, PP Møbler have launched a limited edition of the iconic pp225 Flag Halyard Chair, originally designed by Hans Wegner in 1950.

This exclusive design showcases a vibrant Wegner Yellow base, creating a visually striking contrast with the seating frame. It is complemented by elegant ash wood feet, high-quality sheepskin and a vegetal leather neck cushion.

The origins of this remarkable chair date back to a moment on a hot summer day when Hans Wegner found inspiration while relaxing on the beach. His vision of creating a comfortable chair took shape as he dug himself into the sand, and the result is a true testament to his creativity and ingenuity.

Impeccably crafted, the Flag Halyard Chair is the epitome of luxury and comfort. Each detail reflects the dedication of skilled artisans, from the handmade solid stainless steel frame to the 240 meters of natural flag line meticulously woven to perfection.

Each seat also has a numbered plaque, signifying its exclusivity and individuality. There will be only 70 editions of the limited design manufactured.
