DESCRIPTION

PP 225 Flag Halyard Lounge Chair by Hans Wegner for PP Mobler.

Truly unparalleled, the Flag Halyard Chair by Hans Wegner is a unique masterpiece. Meticulously crafted from solid stainless steel, a developed flag line, and high-quality long-haired sheepskin, it represents the epitome of ultimate relaxation and luxury.

Despite its futuristic appearance, the inspiration for the Flag Halyard Chair arose in relatively humble circumstances during a scorching summer afternoon. Hans Wegner's vision of a comfortable chair materialised in 1950 as he lounged on the beach, ingeniously shaping the design while digging into the sand. This remarkable chair is a true testament to his boundless creativity and resourcefulness.

Impeccably crafted, every aspect of the Flag Halyard Chair showcases the expertise of skilled artisans. The handmade solid stainless steel frame and the intricate weaving of 240 meters of natural flag line demonstrate their unwavering dedication to perfection.
