DESCRIPTION

PP84 Cross Legged Table by **Hans Wegner** for **PP Mobler**.

In 1955, Hans Wegner downscaled his design of the PP85 Cross Legged Table to create a smaller table to serve a different purpose. The solid wood and crossed legs allow for a perfectly balanced design, making for a timeless piece of furniture to last generations.

PP84 is a smaller version of the original PP85, and is the perfect size to accompany a sofa in the living room, or to be used as a small desk in a childrens bedroom.
