

## Woodcut Notecards

Designer: **Bryan Nash Gill**

Manufacturer: **Princeton Architectural Press**

£15

### DESCRIPTION

**Woodcut notecards** by **Bryan Nash Gill** for **Princeton Architectural Press**.

Bryan Nash Gill, the artist, has a long-lasting interest in trees that is reflected in his work. This set of notecards features his minimalist yet impressive prints created from different wood segments, showcasing the intricate and compelling patterns visible in tree rings and wood grain.

Thanks to the charming designs on the front of these cards, if writing a heartfelt letter to your loved ones, they can frame and display the card afterwards. This allows them to cherish your message while keeping it private.

### DIMENSIONS

13.3w x 16.5cmh

## MATERIALS

This set of 12 cards reproduces 6 of Nash Gill's prints, presented with envelopes in a sturdy keepsake box.
