DESCRIPTION

Velasca Extensible by **Ludovica + Roberto Palomba** for **Punt**.

An extendable storage solution for modern living spaces. The Velasca range from Punt is a minimalist storage unit with a linear, architectural design language with warmth in wood, being the main material used. Suitable for a range of storage options including TV unit, drinks cabinet etc.

The doors feature vertical patterns invoking three-dimensionality in the design. Designed by Ludovica+Roberto Palomba and produced by Spanish design company Punt Mobles, the storage unit is crafted with the highest quality material and care. The sideboard features striking joinery details complementing the wood grain.

Available in four sizes, the Velasca sideboard is available in five different finishes. Please refer to the Product Specification pdf in the download section for size and finishes details.

Quickship available in ebony stained oak and in super matt oak finishes for all sizes.

MATERIALS

The interior, exterior, base, top and feet are made of MDF fiberboards with natural oak wood veneer. The module comes with an internal drawer fixed in the middle. Solid wood slats on the doors and side panels.

Base and top is reinforce with metal embedded in thermo-lacquered iron.

Feet and sideboard with integrated adjustable mechanism.

Hinged doors without handles with 105° opening with hidden salice hinges.

Please note that the maximum recommended supported weight of the top and base is 20 Kgs / 44 Lbs. We recommend fixing the top/base to the wall using a bracket for its correct stability if you want to place objects above the recommended weight limit.

The minimum support distance of the base on the sideboard should be of 54cm/21.25". It can lead to surface buckling if it's less than 54cm/21.25".

Note: This product arrives assembled. We advise you carefully review the dimensions before purchasing. If you require an access check, please get in touch with us [here](#).

Please enquire if you would like to receive the product with cable holes, as they do not come as standard.
