

Velasca Cabinet

Designer: **Ludovica and Roberto Palomba**

Designer: **Mario Ruiz**

Manufacturer: **Punt**

£1,980

DESCRIPTION

Velasca Cabinet by **Ludovica+Roberto Palomba** for **Punt**.

The Velasca cabinet is an ideal storage solution for modern living spaces. The Velasca range from Punt is a minimalist storage unit with a linear, architectural design language with an element of warmth with wood being the main material used.

The doors feature vertical patterns invoking three-dimensionality in the design. Designed by Ludovica+Roberto Palomba and produced by Spanish design company Punt Mobles, the storage unit is crafted with the highest quality material and care. The sideboard features beautiful joinery details complementing the beautiful wood grain on the sideboard.

Available in two sizes, the sideboard is available in five different finishes. Please refer to the Product Specification pdf in the download section for size and finishes details.

DIMENSIONS

VLS200: 108w x 40d x 44cmh

VLS300: 160w x 40d x 44cmh

MATERIALS

The interior, exterior, base, top and feet are made of MDF fiberboards with natural oak wood veneer. The module comes with an internal drawer fixed in the middle. Solid wood slats on the doors and side panels.

Base and top is reinforce with metal embedded in thermo-lacquered iron.

Hinged doors without handles with 105° opening with hidden salice hinges.

Please note that the maximum recommended supported weight of the top and base is 20 Kgs / 44 Lbs. We recommend fixing the top/base to the wall using a bracket for its correct stability if you want to place objects above the recommended weight limit.

Note: This product arrives assembled. We advise you carefully review the dimensions before purchasing. If you require an access check, please get in touch with us [here](#).

Please enquire if you would like to receive the product with cable holes, as they do not come as standard.
