

Thing Table/Stool, 2022

Designer: **George Sowden**

Designer: **Nicholai Wiig Hansen**

Manufacturer: **Raawii**

£200

DESCRIPTION

Thing Table/Stool by **George Sowden** and **Nicholai Wiig-Hansen** for **raawii**.

Thing is a versatile object that can be used as a stool, a small table, or whatever one finds use for. It was launched at the 2022 Salone by George Sowden and the two founders of raawii, Bo Raahauge Rasmussen and Nicholai Wiig-Hansen.

The collaborative product, which embodies the trio's approach to development and production independent of one manufacturer, was developed from years of friendship and ongoing conversations.

With the most design experience, Sowden and Wiig-Hansen took the lead in creating, producing and distributing the multi-use product. It is crafted from 100% recycled aluminium with silicone feet and can be used both indoors and outdoors.

DIMENSIONS

28dia x 40cmh

MATERIALS

Recycled aluminium with silicone feet.

Please note this product arrives flat packed and requires assembly.
