DESCRIPTION

Ronan Bouroullec poster by **Ronan Bouroullec** for **The Wrong Shop**.

Ronan Bouroullec's new poster series continues to examine organic forms and vibrant colours. Each poster presents a unique yet complementary arrangement, to be hung singularly or in series.

Please note that the posters are sold individually and come unframed.

Mateo Kries, Director of the Vitra Design Museum, describes the drawings of the Bouroullec brothers as "tender, often cross-hatched and at times almost naive-seeming pictorial motifs that create their own unique world of forms."
