DESCRIPTION

Phase Wall Sconce by **Estudio Persona** for **Resident**.

In 2024, Uruguayan design duo Estudio Persona created Phase for their inaugural collection with Resident. The range, which consists of four distinct lights, draws inspiration from the lunar cycle.

The Phase Wall Sconce balances shadow and light by featuring a graphic silhouette projecting warm outward light. The sconce's body, available in dark bronze or white, harmoniously contrasts with the rated LED light's subtle linen texture.
