

Pier Barstool

Designer: **Leonard Kadid**

Manufacturer: **Resident**

£810

DESCRIPTION

Pier Barstool by **Léonard Kadid** for **Resident**.

Inspired by the cylindrical columns of pier structures, the Pier barstool has a refined silhouette with distinctive, continued sledge legs.

Designed in 2020, the stool has been masterfully crafted from solid oak, joined using only mortise and tenon joints. As a result, the wood fibres seamlessly link throughout, offering sustained strength to the seat.

The contemporary seat is available in two sizes and finishes and is ideal for placing at bars, bench tops and high desks.

DIMENSIONS

Counter stool: 46w x 43d x 65/97cmh

Barstool: 46w x 43d x 75/107cmh

MATERIALS

Available in natural oak or black stained oak, its lightweight design and subtle form offer a refined look to complement most tables.

FSC certified wood.

Stackable up to four stools.

Also available with an umber stain. Please enquire for more details.
