

Pier chair, 2020

Designer: **Leonard Kadid**

Manufacturer: **Resident**

£607

DESCRIPTION

Pier chair by **Léonard Kadid** for **Resident**.

Inspired by the solid and vertical cylindrical pillars of pier constructions, the Pier chair is the new chair from Resident. Designed by Paris based designer Léonard Kadid, the chair is made completely from solid oak and features only tenon and mortise joints allowing the wood fibres to run continuously throughout. The seat and the backrest are carved using CNC rendering a comfortable seating position.

The chair is easily stackable making it a great choice for domestic or commercial use

DIMENSIONS

46w x 44d x 46/76cmh

MATERIALS

Available in natural oak, black stain or umber stain finish, its lightweight design and subtle form offer a refined look to complement most tables.
