

## Arcade Sofa Sytem, 2018

Designer:**Simon James**

Manufacturer:**Resident**

£11,476

### DESCRIPTION

**Arcade Sofa System** by **Simon James** for **Resident**.

The Arcade Sofa is a modular system which allows you to choose from various configuration to suit your needs. Made up of interlocking, users can build and create the ideal configuration for their home. It includes single or corner seat modules, narrow and wide chaises and ottomans can all be paired together with a choice of narrow or wide arms, to gift a truly customised result.

Especially recognizable is Arcades slim-lined L shape arm detail, this is designed to contrast against the soft relaxed look of the seat and back.

The sofa is developed in New Zealand and features revolutionary multi-density feather and foam system for complete comfort in the home.

The sofa is available in the configuration in the main image. The configuration includes ARC005R or ARC005L, ARC001, ARC003, ARC006R or ARC006L and ARC021(small cushion) modules. Please enquire for other configurations.
