

Felix Swivel Chair

Designer: **Simon James**

Manufacturer: **Resident**

£1,360

DESCRIPTION

Felix Swivel Chair by **Simon James** for **Resident**.

Designed by Simon James, Resident's Creative Director, the Felix Swivel Chair is a comfortable wrap-around armchair that offers both form and function. With gentle curves that invite the user into a relaxed sitting posture and a swivel base that allows for flexible movement, the chair is ideal for creating a contemporary and welcoming workspace.

The chair is available with a die-cast aluminium base in black or white and can be upholstered in a diverse range of materials and colours, allowing the user to personalise it to their space.

DIMENSIONS

68w x 57d x 46/77cmh
