

## Passenger Chair

Designer: **Simon James**

Manufacturer: **Resident**

£1,450

### DESCRIPTION

**Passenger Chair** by **Simon James** for **Resident**.

An updated interpretation of the classic safari chair, the Passenger Chair seamlessly integrates wooden joinery with understated connection nodes across its frame. The seat, crafted from saddle leather, not only provides comfort but also gains personality and cosiness as it ages gracefully.

This classic design is versatile enough to complement various settings, whether it's a commercial space or a residential area. The armrests are intentionally crafted with a slighter lower height, enabling them to easily fit under the majority of tables.

### DIMENSIONS

55w x 54.1d x 49.2/76.5cmh

### MATERIALS

Made with solid oak and leather.

Available in natural or black stained oak finish. Leather in either Mustang or Black.
