

Famille Garage storage, 2010

Designer: **Alexander Seifried**

Manufacturer: **Richard Lampert**

~~Was £768~~ Now £652

DESCRIPTION

Famille Garage storage unit by Alexander Seifried for Richard Lampert.

The Famille Garage collection designed by Alexander Seifried includes storage, shelving and seating. This modular furniture set can be adapted to the needs of children of all age groups.

The Famille Garage storage unit comes in two sizes or with a changing tabletop. Wooden table legs are the basic element on which tops and shelves can be attached. The high quality, heavy-duty plastic boxes are German made and originally used for food, available in 2 sizes and in a range of colours.

Please note **storage boxes are not included**. Please find the storage boxes in the 'product range' section below.
