DESCRIPTION

Eiermann 1 Desk Large by **Egon Eiermann** for **Richard Lampert**.

A real classic of furniture design, the Eiermann desk 1 was designed in 1953. With its pared-down construction, the table achieves a balanced ratio between material and stability.

The frame comes with centrally positioned, offset metal crossbars, ideal for sitting at an angle with outstretched legs.

A highly adaptable design with careful detailing, the Eiermann Table 1 is available in numerous finishes and size combinations with additional accessories, enabling it to be used in a variety of environments. The table is also available in smaller sizes [here](#).

If you require further assistance and information about Eiermann desk 1, please enquire about this product.

Note: Extras including the height adjustment rods, top fixing set and rubber caps are included in the online price.
