

## Eiermann 2 table, 1965

Designer: **Egon Eiermann**

Manufacturer: **Richard Lampert**

~~Was £641~~ Now £544

## DESCRIPTION

**Eiermann 2 dining table** by **Egon Eiermann** for **Richard Lampert**.

An interpretation of Egon Eiermann's original table frame, the Richard Lampert has created the Eiermann 2. Different from the original Eiermann 1 Frame, the crossbar sits square between the lateral parts of the frame. The design offers a comfortable leg room on both sides, making the Eiermann 2 table ideal for dining or conference settings.

## DIMENSIONS

160w x 83d x 75cmh

200w x 90d x 75cmh

## MATERIALS

Available in four different finishes; linoleum or white melamine with an oak edge, 5 layer plywood transparent lacquer finish with 10% of white pigment and natural solid oak. Frame available in black, basalt grey and chrome

plated. Chrome plated base subject to a surcharge.

Non-adjustable height. Tabletop is screwed to frame.
