Manufacturer: **Richard Lampert**

~~Was £358~~ Now £304

DESCRIPTION

TT54 chair by Paul Schneider-Esleben for Richard Lampert.

Elegant dining chair made from rattan and solid steel.

German designer Paul Schneider-Esleben originally designed the TT54 chair in 1954. Re-launched by Richard Lampert in 2017, the TT54 dining chair has been adapted slightly to suit today's user in terms of ergonomics and comfort, without compromising the original design.

DIMENSIONS

42w x 56d x 45/79cmh

MATERIALS

The TT54 chair has a frame made of solid steel that has been powder-coated black. Seat and backrest in natural rattan. As rattan is a natural material the hue may vary.
