

## Mono Step Stool

Designer: **Steffen Kehrle**

Manufacturer: **Richard Lampert**

£264

## DESCRIPTION

**Mono Step Stool** by **Steffen Kehrle** for **Richard Lampert**.

Mono is a practical and adaptable stepstool designed for daily convenience. Its portability is enhanced by a cut-out handle and its lightweight construction.

Crafted from recyclable, food-safe, and durable polyethene, Mono impresses with its dual functionality: it functions as both a seat and a compact two-step ladder. Whether reaching high kitchen or bedroom shelves, aiding access to books on a shelf, engaging kids in play, providing seating, enabling climbing, or fostering imaginative castle-building, Mono fulfils a spectrum of purposes effortlessly.

## DIMENSIONS

40w x 38d x 48cmh

## MATERIALS

Made from polyethylene.

Available in Black Grey, Agate Grey, Purple Red, Water Blue or Light Yellow.
