DESCRIPTION

Ronan Bouroullec poster by **Ronan Bouroullec** for **The Wrong Shop**.

Ronan Bouroullec's poster series continues to examine organic forms and vibrant colours. Each poster presents a unique yet complementary arrangement, to be hung singularly or in series.

Mateo Kries, Director of the Vitra Design Museum, describes the drawings of the Bouroullec brothers as "tender, often cross-hatched and at times almost naive-seeming pictorial motifs that create their own unique world of forms."

Please note that the poster comes with a white frame (not pictured).
