

Rose chair

Designer: **Chris Martin**

Manufacturer: **Massproductions**

£1,860

DESCRIPTION

Rose chair by **Chris Martin** for **Massproductions**.

This easy chair was formed through the experimentation of layer-glued wood. The design idea for the Rose chair was to create an armchair that was formed entirely of wood, without screws or metal fittings. Launched in 2018, the curved chair has four main elements which keep its stability and contemporary geometric style.

DIMENSIONS

88.5w x 73.5d x 34.9/68.4cmh

MATERIALS

Produced from laminated wood, available in black stained oak, natural oak or walnut.
