DESCRIPTION

Roundish Armchair Cushioned by **Naoto Fukasawa** for **Maruni**.

The Roundish family of seating comprises a two-seat sofa, a three-seat sofa, an arm sofa, an armchair and a chair. Upon its launch in 2014 the Roundish sofa was awarded one of Japan's national Good Design Awards. The newest addition to the Roundish collection, the Roundish armchair launched in 2018 at the Milan Salone.

"The primary feature of this chair is its large roundish back. It gently wraps around the body for increased sitting comfort, and it looks beautiful from behind in particular. The chair back encloses and supports you for hours of fatigue-free sitting, regardless of whether you sit up straight or slouch down. The curvature of the back closely matches the shape of the seat." - Naoto Fukasawa.

The Roundish armchair is available in beech, oak or walnut, with a variety of natural and coloured finishes.
