

Astoria table light, 2016

Designer: **Niclas Hoflin**

Manufacturer: **Rubn**

£502

DESCRIPTION

Astoria table lamp by **Niclas Hoflin** for **Rubn**.

With four raised bulb stems arranged at differing heights in a linear formation, the Astoria table lamp is an elegant lighting array for tabletops or low surfaces.

Made of brass, each stem accommodates a dimmable LED-filament bulb for a warm and atmospheric diffusion of light.

The brass base provides stability and discreetly houses the internal circuitry, making this an aesthetically simple yet striking addition to the home.

All Rubn lamps are manufactured by hand in Sweden, with great attention to detail, functionality and aesthetics. The designs adapt to today's technology, style and needs while being rooted in an appreciation of the past.

Supplied with 1.8m black fabric-covered cable with a dimmer switch on cable.

For detailed information, please see downloadable specification sheets in Product downloads.
