DESCRIPTION

Bolero Floor Lamp with Table by **Niclas Hoflin** for **Rubn**.

Crafted by Niclas Hofflin in 2008, the Bolero Floor lamp draws inspiration from the Spanish matador, embodying a fusion of masculinity and femininity. While emanating strength, it also delicately exudes grace. Enhanced with an integrated LED, this lamp provides both warmth and efficiency in illumination. Its spun steel lamp shade elegantly contrasts with the sleek stem, available in solid brass or steel options.

Astutely designed, this floor lamp features a built-in table, making it highly practical and space-efficient whilst catering to a range of environments such as living rooms, bedrooms, or hotel rooms.
